ABOUT THE INITIATIVE

Kenya Inclusivity in Tech Initiative

KITI is a programme dedicated to promoting diversity and equal opportunity in the technology sector across Kenya, with a special focus on TVET institutions and polytechnics. It bridges the digital divide by giving students access to tech education, mentorship and career opportunities.

“Empowering the next generation of Kenyan innovators — inclusive, skilled and ready to build the technologies of tomorrow.”

FIVE EMERGING TECHNOLOGY DOMAINS

AI & Machine Learning Intelligent systems that learn and adapt.	Cybersecurity Protecting people, data and infrastructure.	Blockchain Decentralised, trustless digital systems.	Internet of Things Smart, connected devices and sensors.	Big Data Analytics Insight and value from data at scale.
---	---	--	--	--

BEYOND THE CLASSROOM — WHAT KITI DOES

TVET Outreach Reaching students in TVETs & polytechnics	Bootcamps Intensive, hands-on skills training	Hackathons Collaborative problem-solving sprints
Internships Real-world industry experience	Startup Acceleration Support for emerging ventures	Mentorship Network Guidance from industry experts

COLLABORATION

Our Partners & Funders

KITI is delivered through a coalition of implementing institutions, continental and international funders, and partner TVETs across Kenya.
